2. To purchase, or to take under any concession, lease, or in exchange, to hire, or otherwise acquire, settle, improve, farm and cultivate lands of any tenure, franchises, and hereditaments situate in the Dominion of Canada, the United States of America, or elsewhere, and any mines, minerals, ships, steamboats, barges and other vessels, engines, railway waggons, tanks, reservoirs, manufacturing plant, apparatus, and stock-in-trade, and any other real and personal property of whatever description (including any rights or privileges), whether the same be unencumbered or subject to any mortgage, charge, lien, easements, privileges, licenses, concessions, or otherwise, and to develop and turn to account the resources of the lands, buildings, water, and other rights, and all other properties for the time being belonging to the Company in such manner as the Company may think fit, and in particular

by building any kind of structure thereupon, planting, reclaiming, clearing, mining, quarrying, excavating, road-making, damming, draining, fencing, grazing, farming, and otherwise dealing with and working the same, and to stock lands and farms, and to breed, grow, and deal in all kinds of stock, cattle, horses, sheep, and produce, and to erect and maintain therefor suitable buildings and structures, including slaughtering, refrigerating, and converting establishments.

NEW WESTMINSTER CITY BY-LAWS.

STREET IMPROVEMENT DEBENTURE BY-LAW, 1891.

A By-Law to raise by loan the sum of \$25,000 for the purpose of opening and making certain streets within the limits of the City of New Westminster.

WHEREAS it is necessary and expedient to open up and make certain streets within the limits of the City of New Westminster;

And whereas it will be necessary to raise by way of loan the sum of \$25,000 for the purpose of meeting the cost of said works;

And whereas, for the purpose of raising the said sum of \$25,000, it will be necessary to issue debentures for that amount;

And whereas, for the payment of the said debentures, sinking fund and interest, it will be necessary to raise the sum of \$1,750 by special rate in each year;

And whereas the amount of the whole rateable property of the said city, according to the last revised assessment roll, is \$5,287,520;

And whereas the total amount of the existing debt of the said city is the sum of \$474,000, irrespective of the sum of \$260,000 sought to be raised under the "Steam Ferry By-law, 1891," the "Electric Light Loan By-Law, 1891," the "Water Works Debenture By-law No. 2," and the "Fire Loan By-law, 1891";

And whereas for the purpose of raising the said yearly sum of \$1,750, an equal special rate of one-third of one mill in the dollar will be required;

Therefore the Municipal Council of the Corporation of the City of New Westminster enacts as follows:—

1. It shall be lawful for the Mayor of the said city to raise by way of loan from any person or persons, body or bodies corporate, who may be willing to ad-

vance the same upon the credit of the debentures hereinafter mentioned, a sum of money not exceeding in the whole the sum of \$25,000.

2. It shall be lawful for the said Mayor to cause any number of debentures to be made for such sums of money as may be required, but not for less than \$100 each, such debentures to be sealed with the seal of the Corporation, signed by the Mayor, and countersigned by the Treasurer of the said city.

3. The said debentures shall bear date the 1st day of July, 1891, and shall be payable in fifty years at furthest from said date, and the same may be payable in any place or places authorized by law, as may be agreed upon between the purchaser or purchasers thereof and the said Mayor, and the said debentures shall have attached to them coupons for the payment of interest.

4. The said debentures shall bear interest at the rate of five per centum per annum from the date thereof, which interest shall be payable half-yearly on the first days of January and July in each and every year.

5. For the purpose of forming a sinking fund for the payment of the said debentures, and for the payment of interest thereon, an equal annual special rate of one-third of one mill in the dollar shall be levied and collected, in addition to all other rates, in each year upon all the rateable property in the said city during the currency of the said debentures or any of them.

6. All moneys arising from the said rate beyond the amount required for the payment of interest on the said debentures may be invested from time to time as the trustees in that behalf may direct, for the purpose of creating a sinking fund for the redemption of the said debentures as they become due, without prejudice to any of the powers conferred upon the said Council by the Act of Incorporation.

7. The said sum of \$25,000 shall be expended as follows, namely: \$5,000 thereof shall be expended on opening and improving streets in each of the five wards of the city, as the Council may by resolution determine.

8. This By-law shall come into force and take effect on the 21st day of August, 1891.

9. This By-law, before the final passing thereof, shall receive the assent of the electors of the city in the manner provided in the "New Westminster Act, 1888" and Amending Acts.

10. This By-law may be cited as the "Street Improvement Debenture By-law, 1891."

Received the assent of the electors on the 24th day July, 1891.

LAND SALE CONFIRMATION BY-LAW.

A By-Law to confirm the sale of Lot 17, in Suburban Block VII., in the City of New Westminster.

WHEREAS the Corporation of the City of New Westminster did receive from the Government of British Columbia, representing Her Majesty the Queen, a Crown grant conveying to it the said Lot 17, in Suburban Block VII.;

And whereas it was intended that the said lot should be used for school purposes;

And whereas it was deemed expedient, and the Council of the said city did, with the consent of the said Government, purchase another lot more suitable for school purposes in lieu of the said Lot 17, and for the purpose of providing for the cost of the said other lot, did by public auction sell the said Lot 17 and execute deeds of conveyance for the same;

And whereas doubts have arisen respecting the power of the said Council to sell said lot and to execute said deeds, and it is expedient that such doubts should be set at rest, and that the sale of the said lot should be confirmed;

And whereas, by the "Municipal Act, 1891," an Act passed by the Legislative Assembly of British Columbia in the year 1891, power is given to Municipal Councils to pass by-laws, with the assent of the electors, for the selling and disposal of such real property as may not be required for Corporate purposes;

Therefore the Municipal Council of the Corporation of the City of New Westminster enacts as follows:—

1. The sale of said Lot 17, in Suburban Block VII.,

is hereby confirmed, and the Mayor and Clerk of the said City are hereby authorized to sign and execute deeds of confirmation to the persons to whom the before-mentioned deeds have been made, and to attach thereto the seal of the Corporation.

LULU ISLAND LANDS BY-LAW.

A By-Law to provide for the leasing of certain Corporate Lands on Lulu Island.

WHEREAS by the "New Westminster Act, 1888, Amendment Act, 1889," it is provided that, with the consent of the electors of the City of New Westminster, the Council of the said city may lease real property belonging to the Corporation on Lulu Island;

And whereas it is desirable to make provisions for leasing such property;

Therefore the Council of the Corporation of the City of New Westminster enacts as follows:—

1. The said lands shall be surveyed and divided into suitable lots or parcels, with necessary roadways, as may be determined by the Council.

2. The Assessment Commissioner for the said City shall, subject to the direction of the Finance Committee of the said Council, assess the value of the said lots and parcels, and the said assessment, when revised and approved by the Council, shall be held to be, for the purposes of this By-law, the value of the said lots and parcels until the return of the assessment roll of the city for the year 1892.

3. It shall be lawful for the Council to lease to any person or persons, body or bodies corporate, any one or more of the said lots or parcels of land upon such terms as the said Council may by resolution determine: Provided, however, that every such lease shall contain the following provisions, that is to say:—

(3.) The lessee shall not assign his lease or sub-lease any of the property held thereunder without the consent in writing of the Council.

(4.) It shall be lawful for the Council at any time to cancel any lease granted under this By-law, or any renewal of such lease, before the time for which such lease or renewal was granted has expired, when such cancellation shall become necessary for the carrying out of any by-law which has been submitted to and received the assent of the electors in the manner provided in the "New Westminster Act, 1888," and

amending Acts; and in case of such cancellation the lessee shall be entitled to receive from the Corporation such compensation as may be mutually agreed upon by the Corporation and the said lessee, and in case the Corporation and the lessee shall not agree upon such compensation, the amount thereof shall be determined by arbitration.

(5.) Every lease granted under this By-law shall contain a provision that any part of the property covered by such lease not used by the lessee for the purpose for which it was leased shall revert to the Corporation, and the Corporation may cancel such lease in as far as it relates to such part of the property, and resume possession thereof without making any compensation to the lessee.

4. It shall be lawful for the Council by by-law to exempt from taxation, either in whole or in part, for any period not exceeding ten years, any property leased under this By-law which is used or shall be used for the carrying on of a manufacturing industry of a kind not existing in the city at the time of granting such lease.

5. It shall be lawful for the Council to divide the water frontage on the said Lulu Island lands into lots of 66 feet in width and lease the same for wharfage or other purposes, subject to such conditions as the Council may determine; or the Council may erect wharves on any of the said water lots for free public use or for rent for any period it may determine.
